

ATLAS Mods

The Kingdom's End Server utilises the following mods to provide cosmetics to the server. Please note that if any mod causes server issues, it may be removed without warning, and this may cause items or structures from that mod to disappear. If a mod is found to be causing problems and is removed, the Arbiters will do their best to help you recover any lost items.

- [Rustic Buildings](#)
- [Eco's RP Decor \(Continued\)](#)
- [Farsight](#) (Created by one of ARMCO's own Kellwolf!)
- [Upgraded Crew Silo & Repair Warehouse](#) (Another from our own Kellwolf!)

Revision #4
